## SECTION 1 – IMPORTANT NOTICE

### READ YOUR POLICY CAREFULLY BEFORE YOU TRAVEL

- Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances. It is important that you read and understand your policy before you travel, as your coverage may be subject to certain limitations or exclusions.
- Your policy may not provide coverage for a medical condition and/or symptoms that existed prior to your trip. Check to see how this applies in your policy and how it relates to your departure date, date of purchase or effective date.
- In the event of an accident, injury or sickness, your prior medical history may be reviewed when a claim is made.
- If your policy provides travel assistance, you may be required to notify the designated assistance company prior to treatment.
- Your policy may limit benefits should you not contact the assistance company within a specified period of time.

### Notice Required by the Alberta Insurance Act:

This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

**ITALICIZED WORDS** have a specific meaning. Please refer to the "Definitions" section of this policy, to find the meaning of each italicized word.

## SECTION 5 – GENERAL INFORMATION

### INSURING AGREEMENT

**In consideration of the application for insurance for which you have met the eligibility requirements and paid the appropriate premium, we will pay, up to a maximum of \$10 million CDN per insured person for reasonable and customary charges incurred by you (less any applicable deductible) as a result of an emergency, occurring while you are travelling outside your province or territory of residence, for the benefits set out in this document, subject to the terms, limitations, exclusions and other conditions and in excess of those reimbursable under any group, individual, private or public plan or contract of insurance, including any auto insurance plan and your government health insurance plan.** Some benefits are subject to advance approval by our Assistance Centre. Unless otherwise stated, all amounts referred to in this policy are in Canadian dollars. You will be responsible for any expenses that are not payable by us.

Coverage under this policy is issued on the basis of information provided in your application. Your entire contract with us consists of: this policy, your application for this coverage, the *confirmation* issued in respect of that application and any other amendments or endorsements resulting from extensions or Top-Ups of coverage.

This policy includes *Emergency Medical coverage* for the plan you have purchased;

- a *Single-Trip* plan for travel outside your province of residence or Canada; or
- a *Multi-Trip* plan for an unlimited number of trips taken within one (1) year of the *effective date* for the trip length as shown on your *confirmation*.

## WHEN YOUR COVERAGE STARTS

For a Multi-Trip plan, *Emergency* medical coverage starts each date you leave your province or territory or residence and each date you leave Canada on or after the *effective date* as stated on your *confirmation*.

For a Single-Trip plan, coverage starts on the later of:

- the *departure date*; or
- the *effective date* as stated on your *confirmation*.

## WHEN YOUR COVERAGE ENDS

For all Multi-Trip plans, *Emergency* Medical coverage ends on the earliest of:

- the date you return *home*;
- the *expiry date*, as stated on your *confirmation*; or
- when travelling outside Canada, the date you reach the maximum *trip length* you purchased for each *trip*, as stated on your *confirmation*.

For Single-Trip *Emergency* Medical plans, your coverage ends on the earlier of:

- the date you return *home*; or
- the *expiry date*, as stated on your *confirmation*.

For Single-Trip Travel Canada *Emergency* Medical plans, coverage ends on the earliest of:

- the date you return *home*;
- the *expiry date*, as stated on your *confirmation*; or
- the day you leave Canada.

**AUTOMATIC EXTENSION** of *Emergency* Medical coverage is provided beyond your *expiry date*, as stated on your *confirmation*, if:

- your *common carrier* or *vehicle* is delayed and prevents you from travelling on your *expiry date*. In this case, we will extend your coverage for up to seventy-two (72) hours;
- you or your *travel companion* are hospitalized on the *expiry date*. In this case, we will extend your coverage during the hospitalization up to a maximum of 365 days or until, in our opinion, you are stable for discharge from the *hospital* or for evacuation *home*, whichever is earlier, and for up to five (5) days after discharge from the *hospital*; or
- you or your *travel companion* have a medical *emergency* that does not require hospitalization but prevents travel on your *expiry date*, as confirmed by a *physician*. In this case, we will extend your coverage for up to five (5) days.

## TO STAY LONGER THAN PLANNED

If you are already on your *trip* and need to apply for an extension of your coverage, before the *expiry date* of your existing coverage, simply call the agent or broker from whom you purchased your coverage. You may be able to extend your coverage, as long as:

- the total length of your *trip* outside of Canada, including the extension, does not exceed the maximum allowed by your *government health insurance plan*;
- you pay the additional premium; and
- there has been no event that has resulted or may result in a claim against the policy and there has been no change in your health status.

Any extension is subject to approval by the Assistance Centre. In any case, we will not extend any coverage beyond twelve (12) months after the date you first leave *home*.

## CANCELLATIONS & REFUNDS

- You may cancel your policy prior to your *departure date* (your *effective date* if you have purchased a Multi-Trip *Emergency* Medical plan).
- If you return *home* early, you may request a refund of premium (minimum \$25.00) for the unused coverage days of your Single-Trip *Emergency* Medical Plan, providing there has been or will be no claim reported or initiated, that you have not been provided with any assistance services and that you have mailed us your written request with proof of the date you returned *home*.
- All travellers insured under the same policy must return together for a refund to be possible.

Refunds and cancellations are not available for Multi-Trip plans.

## FAMILY COVERAGE

If you have purchased Family Coverage for any *Emergency* Medical Plan, all family members must be named on your *confirmation* and must be under age sixty (60) and a minimum of thirty (30) days of age. Family Coverage can include: i) one applicant (parent or grandparent) travelling with their *children/grandchildren*; ii) the applicant, *spouse* and *children* or *grandchildren*; or iii) three (3) generations of a single family (grandparent[s], parent[s] and their *children*). All family members must have coverage that starts and ends on the same dates. Family Coverage and *Travel Companion* savings cannot be combined.

## MULTI-TRIP PLANS

- Provide coverage for an unlimited number of *trips* taken within one (1) year, commencing with the *effective date* as shown on your *confirmation*.
- Provide you with *Emergency* Medical coverage for an unlimited number of days of travel within Canada but outside your province or territory of residence.
- Each *trip* taken outside of Canada can be up to the maximum number of days you selected when you purchased your Multi-Trip plan, beginning on the first day you leave Canada.
- For a *trip* to be covered under the benefits of PrimeLink Universal Travel Insurance, it must start on or after the *effective date* and end prior to or on the *expiry date* shown on your *confirmation* of coverage.
- Top-Up coverage can be purchased for *trips* that are longer than the maximum *trip length* selected or if your *trip* extends beyond the *expiry date* of your Multi-Trip plan as shown on your *confirmation*.

In the event of a claim, you will be required to provide proof of your *departure date* and your return date. Proof can include your *plane ticket*, train ticket, a stamped passport, and/or a credit card or bank statement showing purchases in Canada just prior to your *departure date*.

### Top up your trip under the Multi-Trip *Emergency* Medical plan:

If your *trip*:

- is longer than the maximum number of coverage days you have under your current plan; or
- will extend beyond the *expiry date* shown on your *confirmation*, you can either:
  - purchase Top-Up coverage before the *expiry date* of your Multi-Trip plan for any additional travel days; or
  - purchase a new Multi-Trip *Emergency* Medical plan, with no lapse in coverage, providing the total duration of the *trip* does not exceed the maximum *trip length* you choose.

If your multi-trip plan is not underwritten by Manulife, it is your responsibility to confirm that a Top-Up is permitted on your existing plan with no loss of coverage.

When you apply for Top-Up coverage, you may be required to answer questions about your health.

## SECTION 7 – EMERGENCY MEDICAL BENEFITS

**What does Emergency Medical Insurance cover?**

Emergency Medical Insurance covers you for up to \$10,000,000 CDN of covered expenses incurred by you for treatment required by you during your trip if a medical emergency begins unexpectedly after you leave home, but only if these covered expenses are in excess of any amount covered by your government health insurance plan or any other benefit plan. The treatment must be required as part of your emergency treatment.

All medical procedures and/or tests (including but not limited to MRI, MRCP, CAT Scan, CT Angiogram, Nuclear Stress Test, Angiogram or Cardiac Catheterization or any surgery) must be authorized by the Assistance Centre in advance.

**We will cover Benefits #5 through #13 and #18 only if they have been authorized and arranged by the Assistance Centre.**

Covered expenses and benefits are subject to the policy's maximums, exclusions, limitations, and your deductible amount. The deductible amount is the amount of covered expenses that you are responsible for paying per person per Emergency Medical claim. Your deductible amount, in CDN dollars, applies to the amount remaining after any covered expenses are paid by your government health insurance plan. The deductible amount is shown on your confirmation.

The eligible covered expenses include:

- 1. Expenses for emergency treatment** – Reasonable and customary charges for medical care received from a physician in or out of hospital; the cost of a semi-private hospital room (or an intensive or coronary care unit where medically necessary); the services of a licensed private duty nurse while you are in hospital; the rental or purchase (whichever is less) of a hospital bed, wheelchair, brace, crutch or other medical appliance; tests that are needed to diagnose or find out more about your condition; and drugs that are prescribed for you and are available only by prescription from a physician or dentist.

- 5. Expenses to bring someone to your bedside** – If you are travelling alone and are admitted to a hospital for three (3) days or more because of a medical emergency, we will pay the return economy class airfare via the most cost-effective itinerary for someone to be with you. with *Emergency Medical Insurance* under the same terms and limitations of this policy until *you* are medically fit to return *home*. For a *child* insured under this policy, this benefit is available immediately upon their *hospital* admission.

**6. Extra expenses for meals, hotel, and taxi** – If a medical *emergency* prevents *you* or *your travel companion* from returning *home* as originally planned, or if *your emergency medical treatment* or that of *your travel companion* requires *your transfer* to a location that is different from *your original destination*, we will reimburse *you* up to \$200 per day to a maximum of \$2,000 for *your extra meals, hotel, and taxi fares*. We will only reimburse *you* for these expenses if *you* have actually paid for them.

**7. Expenses related to *your death*** – If, during *your trip*, *you die* from an *emergency* covered under this insurance, we will reimburse *your estate* for:

In addition, if someone is legally required to identify *your body* and must travel to the place of *your death*, we will pay the return economy class airfare via the most cost-effective itinerary for that person, and up to \$300 for that person's hotel and meal expenses. We will also provide that person with *Emergency Medical Insurance* under the same terms and limitations of this policy for up to seventy-two (72) hours.

**8. Expenses to bring *you home*** – If *your treating physician* recommends that *you return home* earlier than planned because of *your emergency* or if *our medical advisors* recommend that *you return home* after *your emergency*, we will pay for one or more of the following:

Childcare expenses** – We will pay up to \$75 per day to a maximum of \$500 for childcare costs incurred by *you* during *your trip* to care for *your children* travelling with *you* and remaining with *you* at destination while *you* are hospitalized as an in-patient during *your trip*. Original receipts from the professional childcare provider are required and the professional childcare provider must be someone other than immediate family or a travel companion.

**12. Expenses to return *your travel companion*** – We will cover the extra cost of one-way economy class airfare via the most cost-effective itinerary, to return *your travel companion* (who is travelling with *you* at the time of *your emergency* and insured under *our travel insurance plan*) *home*, if *you* are repatriated or evacuated under Benefit #7 or 8 above.

**13. **17. Trip Break** – For Single-Trip plans, *you* may return *home* to *your province of residence* without terminating *your coverage*. There is no coverage under this plan in *your province or territory of residence*. There will be no refund of premium for any of the days *you spend* in *your province or territory of residence*. If *you experience any change in your health* during the Trip Break, *you* must notify the Assistance Centre prior to leaving *your province or territory of residence* for confirmation of continued coverage.

**18. Return to Original Trip Destination** – If *you* are returned to *your province or territory of residence* under Benefit #8 (Expenses to bring *you home*) and the attending *physician* determines that the *treatment* received in Canada resolved the *emergency* and that no further *treatment* is required, we will reimburse up to a maximum of \$5,000 for a one-way economy flight to return *you* and one insured *travel companion* to the original trip destination. This benefit is available only if the return to destination occurs during the dates of the original trip and if the Assistance Centre has approved *your return* under *your existing policy*. A subsequent recurrence or complication of the condition that resulted in *you* being returned *home* is excluded under this policy.

**19. The amount payable for each eligible claim is in excess of all other sources of recovery including alternative or replacement travel options and other insurance coverage. The amount paid for all such claims shall be reduced on a pro rata basis so as to not exceed the respective maximum aggregate limit which will be paid after the end of the calendar year and after completing the adjudication of all claims relating to the *act(s) of terrorism*.

### Limitation of Liability

*Our* liability under this policy is limited solely to the payment of eligible benefits, up to the maximum amount purchased, for any loss or expense. Neither *we*, upon making payment under this policy, nor *our* agents or administrators assume any responsibility for the availability, quality, results or outcome of any *treatment* or service, or *your* failure to obtain any *treatment* or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

### Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice. When *you* have paid the appropriate premium and met the eligibility requirements, this policy along with *your* application forms part of *your* insurance contract and becomes a binding contract, providing that *you* are issued a *confirmation* upon which a contract policy number appears. If *you* are ineligible for coverage, *our* only liability will be to refund any premium paid. *You* will be responsible for any expenses that

are not payable by *us*. If the premium is insufficient for the period of coverage selected, *we* will charge and collect any underpayment; or shorten the policy period by written endorsement if an underpayment in premium cannot be collected. Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

### How does this insurance work with other coverages that *you* may have?

The plans outlined in this policy are second payor coverages. If there are other third-party liability, group or individual, basic or extended health insurance plans or contracts, including any private, provincial or territorial auto insurance plan providing *hospital*, medical or therapeutic coverage or any other third-party liability insurance in force concurrently herewith, amounts payable hereunder are limited to that portion of *your* expenses, incurred outside the province or territory of residence, that are in excess of the amounts for which *you* are insured under such coverage.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will co-ordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less), to a maximum of the largest amount specified by each insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and co-operate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy.

## SECTION 10 – HOW TO MAKE A CLAIM

**IN THE EVENT OF A MEDICAL EMERGENCY,  
CALL THE ASSISTANCE CENTRE IMMEDIATELY  
1 877 251-4464 toll-free from the USA and Canada  
+1 (519) 251-7800, collect to Canada  
from anywhere else in the world.**

***Our* Assistance Centre is there to assist *you*  
24 hours a day, each day of the year.**

Immediate access to the Assistance Centre is also available through its TravelAid mobile app. To download the app, visit: <http://www.active-care.ca/en/travelaid/>.

Please note that if *you* do not call the Assistance Centre in an *emergency* and prior to receiving *treatment*, *you* will have to pay 20% of the eligible medical expenses *we* would normally pay under this policy (20% co-insurance). If it is medically impossible for *you* to call when the *emergency* happens, *we* ask that someone call on *your* behalf.

**Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that the Assistance Centre has been contacted.**

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, eligible expenses will be reimbursed to *you* based on the *reasonable and customary* charges that we would have paid directly to such provider. Medical charges that *you* pay may be higher than this amount. Therefore, *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary* charges reimbursed by *us*.

**Notice and Proof of Claim.** Claims must be reported within thirty (30) days of occurrence of a claim arising under this contract. Your proof of claim must be sent to *us* within ninety (90) days of the date a claim has occurred or the service was provided.

**Failure to Give Notice or Proof of Claim.** Failure to give notice or proof of claim within the prescribed period does not invalidate the claim if the notice or proof is given or provided as soon as reasonably possible and in no event later than one (1) year from the date of the occurrence arising under this contract, if it is shown that it was not reasonably possible to give notice or furnish proof within the time so prescribed.

**Proof of Claim.** The Assistance Centre will furnish forms for proof of claim within fifteen (15) days after receiving notice of claim. If *you* have not received the forms within that time, *you* may submit *your* proof of claim in the form of a written statement of the cause or nature of the accident, *sickness, injury* or insured risk giving rise to the claim and the extent of the loss or *you* can submit *your* claim online.

All money payable under this contract shall be paid by *us* within sixty (60) days after proof of claim and all required documentation has been received.

**If *you* are making an Emergency Medical Insurance claim,** we will need:

- original itemized receipts for all bills and invoices;
- proof of payment by *you* and by any other benefit plan;
- medical records including complete diagnosis by the attending *physician* or documentation by the *hospital*, which must support that the *treatment* was medically necessary;
- proof of the accident if *you* are submitting a claim for dental expenses resulting from an accident;
- proof of travel (including *departure date* and return date); and
- *your* historical medical records (if we determine applicable).

### To whom will we pay *your* benefits, if *you* have a claim?

Except in the case of *your* death, we will pay the covered expenses under this insurance to *you* or the provider of the service. Any sum payable for loss of life will be payable to *your* estate. *You* must repay *us* any amount paid or authorized by *us* on *your* behalf if we determine that the amount is not payable under *your* policy.

If currency conversion is necessary, we will use *our* exchange rate on the date *you* received the service outlined in *your* claim. We will not pay for any interest under this insurance.

### Is there anything else *you* should know if *you* have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* or in the *Limitations Act, 2002* in Ontario or other applicable legislation.

## SECTION 11 – STATUTORY CONDITIONS

**Copy of Application.** Upon request, a copy of the application shall be given to *you* or to a claimant under the contract.

**Waiver.** We reserve the right to decline any application or any request for extensions of coverage. No condition of this policy shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly expressed in writing and signed by Manulife.

**Material Facts.** No statement made by *you* at the time of application for this contract shall be used in defence of a claim under or to avoid this contract unless it is contained in the application or any other written statements or answers furnished as evidence of insurability.

**Termination by Insurer.** We may terminate this contract in whole or in part at any time by giving written notice of termination to *you* and by refunding, concurrently with the giving of notice, the amount of premium paid in excess of the proportional premium for the expired time. The notice of termination may be delivered to *you*, or it may be sent by registered mail to *your* latest address on record. Where notice of termination is delivered to *you*, five (5) days notice of termination will be given; where it is mailed to *you*, ten (10) days notice will be given and the ten (10) days will begin on the day following the date of mailing of the notice.

**Termination by Insured.** *You* may terminate this contract at any time by mailing or delivering a written notice of termination to *us* at *our* office. See the refunds section of this policy.

**Rights of Examination.** For the purposes of determining the validity of a claim under this policy, we may obtain and review the medical records of *your* attending *physician(s)*, including the records of *your* regular *physician(s)* at *home*. These records may be used to determine the validity of a claim, whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, we have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, we have the right to request an autopsy, if not prohibited by law.
