This **policy** is underwritten by Northbridge General Insurance Corporation (“Northbridge”). Northbridge has appointed Xodus Travel Services Inc. (operating as Xodus) as the administrator under this **policy**.

Bolded Words have a specific meaning. Please refer to the “Definitions” section of this **policy** to find the meaning of each italicized word.

This **policy** contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

10-Day Free Look – If **you** notify **us** within 10 days of **your** purchase date, as indicated on **your confirmation**, that **you** are not completely satisfied with **your policy**, **we** will provide a full refund if **you** have not already departed on **your trip** and there is no claim in progress. Refunds are only available when **we** receive **your** request for a refund before **your departure date**.

IMPORTANT INFORMATION

You have purchased a travel insurance **policy** – what’s next? **We** want **you** to understand (and it is in **your** best interest to know) what **your policy** includes, what it excludes, and what is limited (payable but within limits).

- Travel insurance covers claims arising from sudden and unexpected situations (i.e. **accidents** and **emergencies**) and typically does not cover follow-up or recurrent care.
- To qualify for this insurance, **you** must meet all of the eligibility requirements.
- This insurance contains limitations and exclusions (i.e. **medical conditions** that are not disclosed by **you**, pregnancy, **your child** born on **your trip**, excessive use of alcohol, high risk activities).
- In the event of a claim **your** prior medical history may be reviewed.
- If **you** have been asked to complete a **medical declaration** and any of **your** answers are not accurate or complete, **your policy** may be voidable.

IMPORTANT: If **you** have any **change in health status**, including but not limited to a **change in medication** or **treatment**, between the date **you** completed the application for this coverage and **your effective date**, **you** must either go to xodus.ca/cfs and modify **your medical declaration** or notify **us** by calling +1 866-424-0825 or +1 416-987-1250. Otherwise, any such change may render **your policy** voidable by **us**.

It is your responsibility to understand your coverage. If you have any questions call the number located on your confirmation of coverage sent via e-mail or mail from Northbridge's trusted partner.

IN THE EVENT OF AN EMERGENCY

If **you** have a medical **emergency**, **you** must notify the **Assistance Centre** before obtaining **emergency treatment** so that **we** may confirm coverage and provide pre-approval of **treatment**. Please note that if **you** do not notify the **Assistance Centre** without reasonable cause, **you** may have to pay 25% of the eligible medical

expenses **we** would normally pay under this **policy**. If it is medically impossible for **you** to contact the **Assistance Centre**, please have someone contact **us** on **your** behalf.

We reserve the right, as reasonably required, to transfer **you** to any **hospital** or to transport **you** to Canada following an **emergency**.

If **you** refuse to be transferred or transported when **you** are declared medically fit to travel, any continuing costs incurred after **your** refusal will not be covered and the payment of such costs becomes **your** sole responsibility. All coverage ceases upon **your** refusal to be transported, and no coverage will be provided to **you** for the remainder of the **trip**.

- after the **expiry date** of an existing Northbridge **policy**; or
- after **you** leave **home**.

When coverage is purchased prior to leaving **home** with an **effective date** equal to the date and time **you** are scheduled to arrive in Canada, coverage will also be provided with no additional premium during **your** uninterrupted flight directly to Canada. An uninterrupted flight can include a stopover provided **you** do not leave the airport.

When your coverage ends

Your coverage ends on the earliest of the following:

- each time **you** leave Canada to return **home**;
- when **your policy** expires as shown in **your confirmation**;
- when travelling outside Canada for a side-trip, the date **you** reach the maximum number of allowed days
- when **you** become a resident of a nursing home, home for the aged, or other long-term care facility during **your trip**;
- no more than 365 days after **your effective date** of insurance; or
- the first day **you** become insured under a **government health insurance plan (GHIP)**.

EXCEPTION: If **you** are a visitor to Canada with an International Experience Canada (IEC) work permit, this **policy** will continue to provide eligible benefits that are not covered by **your government health insurance plan (GHIP)**.

At no additional premium, coverage is included up to the date and time **you** arrive **home** following an uninterrupted flight from Canada directly **home**, with no intention to return to Canada during **your period of coverage** under this insurance. An uninterrupted flight can include a stopover provided **you** do not leave the airport.

During **your coverage period**, if **you** return **home** under the **Trip Break Benefit**, under the **emergency** medical coverage, **your** Visitors to Canada coverage will be suspended but not terminated. When **you** return to Canada, **your policy** coverage will resume provided **you** are still eligible for coverage. There will be no refund of premium for any of the days during **your** return **home**.

Coverage for side-trips outside Canada

This insurance provides coverage while travelling outside Canada (excluding **your** country of origin), as long as your side-**trip** originates and terminates in Canada and does not exceed the lesser of 30 days per **policy** or 49% of **your** total number of coverage days as stated on **your confirmation**. During **your coverage period**, if **you** take a side-**trip** outside of Canada that is longer than that permitted in this **policy**, **your** Visitors to Canada coverage will be suspended for the remainder of **your side-trip** but **your** coverage will not be terminated. When **you** return to Canada, **your** coverage will resume.

To stay longer than planned

Any extension is subject to the approval of the **Assistance Centre**. In order to avoid a **waiting period**, purchase **your** extension of coverage before the **expiry date** of **your** existing Visitors to Canada **policy** issued by **us**.

You may be able to extend **your** coverage if:

- **you** pay the additional premium;
- **you** have had no claim or event that has resulted or may result in a claim under this **policy**;
- there has been no **change in your health status**.

Automatic Extension

Coverage will automatically be provided beyond the date **you** were scheduled to return **home** as per **your confirmation** if:

- **your common carrier** is delayed and prevents **you** from travelling on **your expiry date**. In this case, **we** will extend **your** coverage for up to 72 consecutive hours;
- **you** or **your travel companion** are hospitalized on **your expiry date**. In this case, **we** will extend **your** coverage during the hospitalization up to a maximum of 365 days or until, in **our** opinion, **you** are **stable** for discharge from the **hospital** or for evacuation **home**, whichever is earlier, and for up to 5 days after discharge from the **hospital**;
- **you** or **your travel companion** have a **medical condition** that does not require hospitalization but prevents travel on **your expiry date**, as confirmed by a **physician**. In this case, **we** will extend **your** coverage for up to 5 days.

To obtain a refund of premium

- If **you** are cancelling **your policy** because **your** application for a Parent and Grandparent Super Visa was refused, **you** must provide proof of visa refusal with your request for a full refund. Otherwise, **you** can ask for a full refund at any time before the **effective date** of **your** insurance.
- If **you** obtain Canadian **government health insurance plan (GHIP)** coverage or return **home** before the date **you** were scheduled as per **your confirmation**, and have not reported or initiated a claim, **you** may ask for a refund of the premium for the unused days of **your trip**. **You** will need to provide proof of the date **you** actually returned **home** or the **effective date** of **your** Canadian **government health insurance plan (GHIP)** coverage. Simply contact **us** to request a refund. All travellers insured under the same **policy** must return together or have Canadian **government health insurance plan (GHIP)** coverage in effect for a refund to be possible. The minimum premium refund amount is \$25 CAD.
- If **you** hold a Parent and Grandparent Super Visa and have purchased 365 days of coverage, and are requesting a partial refund due to **your** early return to **your home** or departure from Canada and:
 - have had no claim that has been reported, paid or denied; premium related to unused days (minimum of \$25 CAD) may be refunded when **you** have provided proof of return to **your home** or departure from Canada: or
 - have reported a claim or have a payable claim for which the payment has not been issued or the total amount of all reported eligible claim expenses will not exceed the **deductible** amount, or if a claim has been denied, you may apply to have such claim withdrawn and, subject to **our** approval, the premium related to unused days may be refunded less a handling fee of \$300 CAD per claim, which will be deducted from any amount to be refunded. Any expenses related to any claim that **you** withdraw will be **your** responsibility for payment.
 - if a claim has been paid, no refund is possible.

A written request to cancel this **policy** must be received within 60 days following the date **you** return **home** along with proof of **your** departure from Canada. In no event will **we** back-date a cancellation to more than 60 days prior to the date of receipt of **your** cancellation request. **Your** cancellation request must include a copy of **your** return airline ticket or a copy of **your** boarding pass, and a copy of every page of **your** passport to verify that **you** did not visit Canada between the date you returned **home** and the date you submitted **your** refund request and a statement saying that **you** have not incurred any paid claims and will not report or submit any claims against this **policy**. Once any refund of premium has been requested, no expenses will be accepted for consideration under the **policy**, regardless of the date the expense was incurred. Refunds will be credited to the same credit card used to charge the premium. No refunds are available for **Trip Interruption Insurance** after the **effective date**, side-trips, or **Trip Breaks**.

WHAT ELSE DO YOU NEED TO KNOW?

Coverage under this **policy** is issued on the basis of information provided in **your medical declaration** and application, the **Medical Underwriting Agreement**, and application. **Your** entire contract with **us** consists of this **policy**, **your** application for this **policy** (including the **medical declaration**), the **Medical Underwriting Agreement**, the **confirmation** issued in respect of that application, and any other amendments or endorsements resulting from extensions of coverage.

This insurance is void in the case of fraud or attempted fraud, or if **you** conceal or misrepresent any **material fact** in **your** application for this **policy**, extension or **Top-Up** of coverage for benefits under this **policy**.

We will not pay a claim if **you**, any person insured under this **policy** or anyone acting on **your** behalf attempt to deceive **us** or makes a fraudulent, false or exaggerated statement or claim. **You** must be accurate and complete in **your** dealings with **us** at all times.

Despite any other provision of this contract, this contract is subject to the statutory conditions in the Insurance Act respecting contracts of accident and sickness insurance.

Limitation of Liability

This **policy** is non-participating and **our** liability under this **policy** is limited solely to the payment of eligible expenses, up to the maximum amount purchased, for any loss or expense. Neither **we**, upon making payment under this **policy**, nor **our** agents or administrators assume any responsibility for the availability, quality, results or outcome of any **treatment**, transportation or service, or **your** failure to obtain any **treatment**, transportation or service covered under the terms of this **policy**.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates in effect at that time.

Upon payment of the appropriate premium, this document becomes a binding contract provided it is accompanied by a **confirmation** upon which a contract number appears, and **we** have received **your** completed application (including the **medical declaration** and **Medical Underwriting Agreement**) prior to **your departure date**. If the premium is

insufficient for the **period of coverage** selected, **we** will charge and collect any underpayment; or shorten the **policy** period by written endorsement if an underpayment in premium cannot be collected.

How does this insurance work with other coverages that you may have?

The coverages outlined in this **policy** are second payor coverages. Along with this coverage, **you** may have other liability, group or individual, basic or extended health insurance plans or contracts with other insurers including any private or provincial or territorial auto insurance plan providing **hospital**, medical or therapeutic coverage or any other liability insurance. In this case, amounts payable under this insurance are limited to that portion of **your** expenses, incurred outside the province or territory of residence, that are in excess of the amounts insured by **your** other in-force plans or contracts.

Total benefits paid to **you** by all insurers cannot exceed **your** actual expenses. **We** will coordinate the payment of benefits with all insurers who provide **you** with benefits similar to those provided under this insurance (except if **your** current or former employer provides **you** with an extended health insurance plan with a lifetime maximum of \$50,000 CAD or less), to a maximum of the largest amount specified by each insurer.

In addition, **we** have full rights of subrogation. In the event of a payment of a claim under this **policy**, **we** will have the right to proceed, in **your** name, but at **our** expense, against third parties who may be responsible for giving rise to a claim under this **policy**. **You** will execute and deliver such documents as are necessary and cooperate fully with **us** to allow **us** to fully assert **our** rights. **You** must do nothing to prejudice such rights. In return of payment of benefits (compensation) and up to the amount thereof, **we** become the beneficiary of the rights and causes of action that **you** might have against anyone responsible or the loss. If **we** can no longer exercise this action due to **your** action or inaction, **we** can be relieved of all or part of its obligations towards **you** or **your** beneficiary.

If **you** are insured under more than one insurance **policy** underwritten by **us**, the total amount **we** pay to **you** cannot exceed **your** actual expenses; and the maximum **you** are entitled to is the largest amount specified for the benefit in any one **policy**.

HOW TO MAKE A CLAIM

Please note that if **you** do not call the **Assistance Centre** in an **emergency** prior to receiving **treatment**, **you** may have to pay 25% of the eligible medical expenses **we** would normally pay under this **policy** (25% co-insurance).

If it is medically impossible for **you** to contact the **Assistance Centre** when the **emergency** happens, the 25% co-insurance will not apply. In this case, **we** ask that **you** contact the **Assistance Centre** as soon as **you** can or that someone do so on **your** behalf. Do not assume that someone will contact the **Assistance Centre** for **you**. It is **your** responsibility to verify that the **Assistance Centre** has been contacted.

If **you** choose to pay eligible expenses directly to a health service provider without prior approval by the **Assistance Centre**, these eligible expenses will be reimbursed to **you** based on the **reasonable and customary** charges that **we** would have paid directly to such provider. Medical charges that **you** pay may be higher than this amount; therefore, **you** will be responsible for any difference between the amount **you** paid and the **reasonable and customary** charges reimbursed by **us**. Some benefits are not covered if they have not been authorized and arranged by the **Assistance Centre**.

To make a claim due to **sickness, injury**, or disease during **your trip**, as well as **trip** cancellation, **trip** interruption and misconnection; **baggage** lost, damage or delay; travel and flight **accident**, **your** proof of claim should be sent to **us** as soon as possible and in no event later than 12 months from the date of loss.

If you are making an Emergency Medical Insurance claim, we will need:

- original itemized receipts for all bills and invoices;
- proof of payment by **you** and by any other benefit plan;
- medical records including complete diagnosis by the attending **physician** or documentation by the **hospital**, which must support that the **treatment** was **medically necessary**;
- proof of the **accident** if **you** are submitting a claim for dental expenses resulting from an **accident**;
- proof of travel (including **departure date** and return date); and
- **your** historical medical records (if **we** determine such to be applicable).

If you are making a Trip Interruption Insurance claim

We will need proof of the cause of the claim, including but not limited to a medical certificate completed by the attending **physician** and stating why travel was not possible as booked, if the claim is for medical reasons; or a report from the police or other responsible authority documenting the reason for the delay if your claim is due to a misconnection.

We will also need, as applicable:

- complete original unused transportation tickets and vouchers; original passenger receipts for the new tickets **you** had to purchase;
- original receipts for the **travel arrangements** **you** had paid in advance and for the extra hotel, meal, telephone and taxi expenses **you** may have had;
- the entire medical file of any person whose health or **medical condition** is the reason for **your** claim; and
- any other invoice or receipt supporting **your** claim.

If you are making a Travel and Flight Accident Insurance claim, we will need:

- a police, autopsy or coroner's report;
- medical records; and
- a death certificate, as applicable.

Special Condition: If **your** body is not found within 365 days of the **accident**, **we** will presume that **you** died of **your** injuries.

To whom will we pay your benefits if you have a claim? Except in the case of **your** death, **we** will pay the covered expenses under this insurance to **you** or the provider of the service. Any sum payable in the event of **your** loss of life will be payable to **your** estate. **You** must repay **us** any amount paid or authorized by **us** on **your** behalf if **we** determine that the amount is not payable under **your policy**. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, **we** will use **our** exchange rate on the date **you** received the service outlined in **your** claim. **We** will not pay for any interest under this insurance.

Is there anything else you should know if you have a claim? Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is barred unless commenced within the time set out in the *Insurance Act*, or in the *Limitations Act* in the Canadian province or territory where **your policy** was issued.

To determine the validity of a claim under this **policy**, **we** may obtain and review the medical records of **your** attending **physician(s)**, including the records of **your** regular **physician(s)** at **home**. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to **you** before **you** incurred a claim under this **policy**. As a condition precedent to recovery of insurance money under this **policy**, the claimant shall afford **us** an opportunity to examine the person of the person insured when and so often as **we** reasonably require while the claim hereunder is pending; and in the case of death of the person insured, **we** may require an autopsy subject to any law of the applicable jurisdiction relating to autopsies.

Everyone wants to have a carefree **trip** and should be able to travel with confidence in their travel insurance purchase. Most Canadians travel every day without a problem, but if something does happen, the member companies of the Travel Health Association of Canada (THIA) want **you** to know **your** rights. THIA's Bill of Rights and Responsibilities builds on the golden rules of travel insurance:

Know **your** health. Know **your trip**. Know **your policy**. Know **your** rights.
